Subject: 2018 ANNUAL REPORTS

This is to advise that we have **reviewed** and **approved** the 2018 Annual Report (s) for the Boynton Beach Firefighters' Pension Fund.

NOTE: For future reference: Please note, section [175.351(6) / 185.35(6)], Florida Statutes, requires that each participating pension plan establish a defined contribution plan component by October 1, 2015, for non-collectively bargained plans; or by the date of entry into the first collective bargaining agreement after July 1, 2015. If your plan meets either of these criteria and has not established a defined contribution plan, your insurance premium tax moneys may be withheld until the plan is brought into compliance. The defined contribution plan component is required to be established whether it receives any funding or not.
